

ANNUAL CHRONICLE 2020-2021

*Education is a social process. Education is growth. Education **is not** a preparation for life; education is life itself.*

It is with immense pride and pleasure that I present before you the 32nd Annual Report of Bhavan's Adarsha Vidyalaya, Kakkanad for the year 2020-2021.

I stand before you with mixed feelings.....

On one hand, the pandemic has created a massive disruption in the smooth functioning of the school and on the other, it has thrown open new challenges before us; including the teachers, non-teaching staff and the students. Adopting new strategies, setting new standards in teaching and conducting online exams and even organising competitions on the digital platform. The transition from offline to online was smooth and I am proud to say that the entire fraternity of Bhavans' were able to withstand the onslaught of Covid-19 and emerge successfully. We have become stronger, physically, mentally and emotionally and eagerly await the opening of the school in the coming academic year.

The service of the professional counsellor helps the students and guides them in their academic, behavioural and social growth.

Conclusion

Since its inception, Adarsha has been blessed with visionary leaders whose imagination, insight and courage called forth the best in teachers and students alike and united them around a shared sense of purpose. Our thanks are due in no small measure to them. . Let me express here my profound sense of gratitude to Chairman Sri. C.A.Venugopal C Govind, honourable Director, Sri. E. Ramankutty, Education Officers, Research Coordinators, all the members of the management Committee Bharatiya Vidya Bhavan Kochi Kendra and the members of the SMC, staff, parents and well-wishers for the wholehearted cooperation.

I hope that Adarsha will emerge as a model institution par excellence in academics, art, culture and sports in the years ahead.

Thank you
