INSHORT: 1.The novel was written in 1980 and was also adapted into a Bollywood movie by the same name. The story revolves around a little girl named Biniya and is set in Garhwal. She trades her leopard claw pendant to acquire a blue coloured umbrella. The beautiful blue umbrella makes everybody jealous of her. The umbrella becomes the central point of her life which she finally gives to a needy old man.

2. This comedic and fantastical film follows young Charlie Bucket (Freddie Highmore) and his Grandpa Joe (David Kelly) as they join a small group of contest winners who get to tour the magical and mysterious factory of eccentric candy maker Willy Wonka (Johnny Depp). Aided by his diminutive Oompa Loompa workers (Deep Roy), Wonka has a hidden motivation for the tour, one that he will reveal only after the children in the group show their true colors.

8. IT/COMPUTER Sc.

Students are free to choose anyone (at least one) activity from the list that is given below:

* Digital poster making /collage

Topic : Assume that you are the Head Boy/Head Girl of our school. At the time of school reopening, since it is the time of pandemic, we have to take a lot of safety measures at our school. Create a digital poster or collage which contains some important safety measures/rules, which the students as well as the staff members must follow at our school campus.

Software : Adobe Spark, Canva or any other photo editing software

*Photography

Topic : Look for Reflections and Shadows

You can photograph the shadows that the sun naturally makes or use an artificial light like a flashlight and create your own.

Submit 3 photographs.

Maximum of 3 photographs can be submitted.

*Scratch Activity :

During your vacation, suppose you are going to visit your grandparents staying at your native place. When your grandparents ask you about your online classes, you will be explaining them about your online academic year. Create a scratch program which will demonstrate your conversation with your grandparents. Simple animations and dialogues should be added.

OR

Develop a simple game/ story using scratch.

All submissions to be made in the respective computer science google classroom.

9. SANSKRIT

1 श्रेष्ठं जनं गुरुं चापि मातरं पितरं तथा ।

मनसा कर्मणा वाचा सेवेत सततं सदा॥
